

WEMS Token Request Form

This form is used to apply for an RSA token to provide a user with access to the Wholesale Electricity Market Systems (WEMS). The RSA token will be couriered to the new user at the address provided.

This form needs to be:

1. Completed by the user and signed by the Market Participant Administrator (MPA); and
2. Emailed to wa.operations@aemo.com.au

The MPA must create a new user in the Market Participant Interface (MPI) prior to submitting this form:

(WEMS > Configuration > User Management > View Users > Add User).

Please call your MPA or WA Market Operations & Operational Support should you not have received your physical token within five business days from AEMO notifying you of the receipt of this form. If you need any help to complete this form, please contact Market Operations (WA) by phone on 1300 989 797 (option 1), or by email to wa.operations@aemo.com.au.

¹ Test environments can simulate the operation of the WEM, but actual market outcomes may vary in these environments due to testing activities of Market Participants and AEMO, differences in software versions, and the time since the last database snapshot. For more information on the details and build currently running in each environment and the latest database snapshot date, visit <http://aemo.com.au/Electricity/Wholesale-Electricity-Market-WEM/Dispatch-and-market-notices>.

² The 'RSA SecurID Software Token' app will need to be downloaded from the App Store onto the user's device - Please include in the email to AEMO the Device Type (iPhone / Android) and, from the SecurID app, the Binding ID or Device ID
