

Notice of NT application date

The Northern Gas Pipeline has been commissioned and the first day of commercial operation is 3 January 2019. The NT application date¹ is set as 3 April 2019.

On and from the NT application date, Part 18 of the National Gas Rules applies to:

1. BB facilities in the Northern Territory commissioned on or before the NT application date; and
2. Facility operators, in the capacity of facility operator of a BB facility

as if each reference in Division 3 to the Part 18 replacement date² were a reference to the NT application date.

¹ NT application date means the date falling 90 days after the date on which the first NT interconnector is commissioned

² Part 18 replacement date means the date on which the rule by which this definition was inserted in the National Gas Rules came into effect.
