

## Notification of Scheduled Maintenance Information – QGC Update

---

The information is supplied pursuant to ACCC Authorisation Nos A91516 & A91517. QGC provides the Maintenance Information on the basis that the information:

- Is provided in good faith and is published as a condition of the Authorisation granted by the ACCC; and
- Is based on QGC's reasonable expectation and is subject to change.

<b>Facility</b>	<b>Expected Dates</b>	<b>Scope of Train Shutdown</b>
QCLNG	20 <sup>th</sup> May 2022 to 14 <sup>th</sup> June 2022	One half of a train or greater, but not greater than one LNG train

These dates amend and replace the dates published on the Bulletin Board on 15 September 2020.
